

● ● ● | **Fine Structure**

This fine structure is effective as of 9/1/2007:

- Handicap Space.....\$50
- Traffic Sign Violation, Wheel Lock\$25
- Fire Lane, Reserved Space.....\$15
- Lawn, Sidewalk, Roadway, Other.....\$10
- Towing.....\$100 plus tax and storage

Traffic violations are determined at Hopewell Town Court.

The enforcement of all NYS Vehicle and Traffic Laws, as well as all parking and traffic regulations adopted by the College, are the responsibility of the Office of Campus Safety. Payment for parking violations must be submitted to the Bursar's Office. Failure to submit payment will subject the vehicle to wheel locking (\$25) or towing at your expense, and your grades/transcripts may be withheld. If you feel that you have been issued a violation in error, you may file a ticket appeal form with the Office of Campus Safety within seven days of receipt of the violation. Following review, a decision will be made to void or sustain it. If you have any questions or concerns, please feel free to call 585-394-3500, extension 7900.

Bicycles must be parked in the racks provided near the Library. Do not bring them into the building. Feel free to bring a bike lock with you to secure your bike to the rack.

Snowmobiles and ATVs are not to be driven on campus at any time, unless for authorized, instructional purposes.

Vehicles displaying a valid **handicap parking** permit may park in the areas reserved for handicap parking. Permits for on-campus handicap parking, for a period not to exceed 30 days, may be obtained through the Office of Campus Safety, upon completion and submission of an application and a doctor's statement of need. NYS handicap permits are available for longer periods and allow you to utilize any handicap space in the State of New York; these may be obtained through your town or city clerk's office. Other college, shopping mall, or business permits will not be honored. Vehicles not displaying a valid permit will receive a violation. Violators may be wheel locked or towed without notice, at the owner's expense.

A **disabled vehicle** may remain on campus for a maximum of four days, provided that the Office of Campus Safety has been notified. Abandoned vehicles will be towed at the owner's expense.

Faculty and staff may park in the reserved area in D-Lot. Permits, required for this area, may be obtained from the Office of Campus Safety. Vehicles not displaying a valid permit will be towed. The lot will be open for students and visitors after 3 pm, Monday through Friday, and all day on the weekend. **Visitors** may park in the reserved spaces designated by parking signs in A-Lot or in any non-designated space. Persons parking in these spaces must register their vehicles at the Information Desk in the lobby on the first floor. Vehicles not registered at the Information Desk will receive a violation. Students and employees are not permitted to park in reserved visitor spaces at any time. **Students** may park in A- or G-Lot without a permit (see map on reverse). Students are reminded that there are specific areas located in the lots which are posted as reserved for faculty/staff, visitors, handicap, admissions, and student senate. Permits are required for these areas, and any vehicle that does not display a permit will receive a violation and/or be towed at the owner's expense. All vehicles must be parked between the lines on the macadam. Please call us if you have any questions.
