Course Syllabus

Department: Humanities

Date: October 21, 2014

I. Course Prefix and Number: ASL 210

   Course Name: American Deaf Culture and Community

   Credit Hours and Contact Hours: 3 credit hours and 3 contact hours

   Catalog Description including pre- and co-requisites: This course will introduce students to the intercultural and socio-cultural aspects within Deaf culture and the D/deaf community. The purpose of this course is to increase students’ knowledge of, and experience with, Deaf culture, the D/deaf community, and the issues relating to the D/deaf community within the hearing majority culture. Co-requisite: ASL 202 or requisite experience.

   Relationship to Academic Programs and Curriculum including SUNY Gen Ed designation if applicable:

   This course is a required course for students pursuing the Associates of Arts degree with the ASL area of special interest. The course may be taken for general elective credit by other interested students. This course meets the General Education requirement in Humanities.

II. Course Student Learning Outcomes: State the student learning outcome(s) for the course (e.g. Student will be able to identify…)

   Students will demonstrate knowledge of Deaf Culture and the D/deaf community.

   Students will demonstrate knowledge of the pathological and cultural models of D/deaf people, in addition to, the shift from the pathological to the cultural view of deafness.

   Students will demonstrate knowledge of terminology used to describe deaf people, Deaf, deaf, hard-of-hearing, and the degrees of hearing loss from profound to mild loss.

   Students will demonstrate knowledge of the history of the deaf in the United States, including topics on deaf education, discrimination, and civil rights.

   Students will demonstrate knowledge of the history of American Sign Language, its roots in Old French Sign Language and major influences on the language, specifically educational and historical change.

   Students will demonstrate knowledge of the Sign Language Continuum, from Signed Exact English to ASL.
Students will demonstrate knowledge of technological and medical advances, and the impact on deaf peoples’ lives.

Students will demonstrate knowledge of the cultural values, norms of behavior, and patterns of language transmission in the D/deaf community.

Students will demonstrate knowledge of art, literature and performance by Deaf artists, writers, actors, musicians, including an awareness of the importance of folktales and storytelling in Deaf culture.

**College Learning Outcomes Addressed by the Course:** (check each College Learning Outcome addressed by the Student Learning Outcomes)

- □ writing
- □ oral communications
- □ reading
- □ mathematics
- □ critical thinking
- □ computer literacy
- □ ethics/values
- □ citizenship
- □ global concerns
- □ information resources

**III. Assessment Measures (Summarize how the college and student learning outcomes will be assessed):** *For each identified outcome checked, please provide the specific assessment measure.*
