Employees wishing to review the College's AAP may make requests to the Office of Human Resources.

### **Reason for Policy**

## **DISSEMINATION OF THE AFFIRMATIVE ACTION POLICY AND PLAN**

Basic to the effectiveness of this Affirmative Action Plan is the awareness of FLCC's commitment to equal employment and affirmative action and of its related goals. Awareness is achieved through a variety of means.

### Internal Dissemination

The FLCC policy statement is included in the College Catalog and the Employee Handbook. New employees are informed during orientation that the Employee Handbook is on the intranet and they should review all of the College policies there. Other internal means of dissemination are the display of equal employment opportunity posters, statements on job postings, and internal advertisements of vacant positions. All state that the College is an equal employment opportunity affirmative action employer.

### External Dissemination

Effective implementation of the Affirmative Action Plan also involves the external dissemination of the affirmative action policy. External dissemination is affected through some of the methods employed for internal dissemination as well as through special efforts to reach those outside the college. In all publications and electronic information sources where pictures of people appear, the pictures represent the full range of diversity. Publications, electronic media, and advertisements contain the non-discrimination statement. The College also notifies subcontractors, vendors, and suppliers of the College's obligations and requests appropriate action on their part.

### IDENTIFICATION OF PROBLEM AREAS

**Area of Concern:**

Percentage of minorities that are hired does not reflect the goals for positions in all job categories.

Percentage of minority applicants has actually dropped in the last 2 years.

**Corrective Action:**

- No later than January 1, 2011 collaborate with local organizations including but not limited to the Rochester Ibero-American Action League, Urban League of Greater Rochester, Action for a Better Community, VESID, the Ontario County Workforce Development Offices and local churches. Request their assistance in identifying candidates and mentoring them for appropriate civil service tests.
- No later than January 1, 2011 recruit candidates recently graduated from colleges and universities in NYS with a significant percentage of minority students. Use National Center for Education Statistics as reference.
- Advertise college vacancies through on-line recruitment sources such as NAACP (Monster.com is the official partner for employee recruitment for the NAACP) and diversitysearch.com. Continue to post positions through “Black Issues in Higher Education”, “Hispanic Outlook” and “INSIGHT Into Diversity”.
- No later than January 1, 2011 track FLCC minority graduates and recruit them back once they earn higher degrees.
- Track sources of successful applicants and continue to grow the list of places to post jobs to continue to seek a diverse workforce.
- No later than January 1, 2011, work with the County of Ontario to track civil service applicants based on Minority status.

## **AFFIRMATIVE ACTION PLAN**

### **Action-Oriented Programs**

The College maintains compliance with current government regulations concerning equal employment opportunity. As with most management objectives, a systematic plan based on sound organizational analysis and problem identification is crucial to the accomplishment of affirmative action objectives.

FLCC has instituted herein action programs to eliminate identified problem areas and help to achieve specific affirmative action goals.

#### **A) Job Advertisement**

Before the College places employment ads in newspapers, professional journals, or other publications, including those directed toward protected classes, the following steps must followed:

1. All employment ads are reviewed by the Affirmative Action Officer.
2. All ads are worded to accurately describe job related requirements.
3. All ads include the Colleges' Equal Opportunity/Affirmative Action Employer statement to encourage qualified minorities and females to apply.

#### **B) Employment Selection**

FLCC's employment and selection processes are based on the strengths and qualifications of each candidate and are intended to be free of bias based on an applicant's or employee's race, creed, gender, sexual orientation, color, religion, national origin, age, marital status, veteran status or disability. Belonging to a traditionally underrepresented employee group will be considered a strength.

#### **C) Training**

Most job-related training at FLCC is given on the job. Supervisors provide such training for all aspects of the job, regardless of the employee's race, gender, color, creed, age, sexual orientation, national origin, religion, marital status, veteran status, or disability. Additionally, any training opportunities outside the College are offered on a non-discriminatory basis. The College actively encourages professional development activities for all employees on a non-discriminatory basis.

#### **D) Evaluation**

Evaluations are objective, uniformly applied, non-discriminatory, and job-related. Evaluations are administered on a formal basis by supervisors in accordance with collective bargaining agreements and Civil Service regulations to:

1. Determine how well the employee is meeting the requirements of the job description.
2. Communicate to the employee what he/she is doing well and what areas require improvement.

#### **E) Promotion**

Promotions are awarded based on individual merit, competitive performance, and individual

qualifications regardless of race, creed, sex, sexual orientation, religion, color, national origin, race, marital status, veteran status or disability.

#### **F) Transfers**

Each employee hired by the College represents an investment of College resources. To maximize the return from these investments, the College is interested in retaining its employees for as long as practical. Transfer to another position in the College may be appropriate. Any transfer or internal promotion is conducted in accordance with established employment practices and policies.

#### **G) Employee Benefits**

The College's employee benefits are made available to all employees without regard to race, creed, sex, sexual orientation, religion, national origin, age, marital status, veteran status or disability.

#### **H) Termination**

There are various situations which may result in termination of employment with the College.

When termination occurs, an exit interview is conducted by the Director of Human Resources to:

1. Communicate the reason(s) for the termination; and
2. Identify reasons for cessations of employment for the purpose of correcting any problems.

#### **I) Insuring Non-Discriminatory Attitudes in the Workplace**

The objectives of the College's Affirmative Action Plan are to:

1. Maintain an employment environment free of unlawful discrimination; and
2. Provide employment opportunities based on individual merit, competitive performance and individual qualifications.
3. Create a diverse employee population that better represents the diversity of the student body.

Every employee, regardless of race, creed, sex, sexual orientation, national origin, color, religion, age, marital status, veteran status, or disability has a responsibility to aid the College in accomplishing these objectives. Therefore, the College takes steps to assure that employees adopt the attitude of the College in regards to these objectives.

## **INTERNAL AUDITING AND REPORTING SYSTEM**

FLCC has designed and implemented an internal auditing and reporting system to measure the effectiveness of its Affirmative Action Plan. This system is designed to monitor applicant flow in terms of race, sex, disability and veteran status. Additionally, the auditing and reporting system monitors all personnel changes and developments involving current employees. The Affirmative Action Officer is responsible for overseeing the system.

Each hiring decision for all employee groups must be reviewed by the Affirmative Action Officer before an offer is made. The Affirmative Action Officer advises top administration of the Plan's effectiveness and submits recommendations to the College President to address problem areas.

An analysis of the Affirmative Action Plan progress will be completed by the Affirmative Action Officer at the conclusion of each academic year during the term of this plan and attached to the AAP (see progress report on next page). This progress review will include an analysis of good faith efforts. An availability analysis is next completed in 2011.
