Policy Statement
Finger Lakes Community College employees shall continue to receive salary and benefits as stated in the Military Law and the Uniformed Services Employment and Reemployment Rights Act.

Reason for Policy
Military Law dictates that employees on military leave must be paid their regular salary for any and all periods of absence while engaged in the period of ordered military duty not exceeding a total of thirty calendar days or twenty-two working days within a calendar year. The Uniformed Services Employment and Reemployment Rights Act protects the rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. This also prohibits employers from discriminating against past and present members of the uniformed services, and applicant to the uniformed services.

Applicability of the Policy
All College employees who are reservists should be familiar with this policy.
