Institutional Learning Outcomes Addressed by the Course
Course Learning Outcomes

1. Apply basic technical nomenclature pertinent to engaging music literature (concerti, opera, fugue, and symphony) parametrically and structurally
2. Apply basic features characteristic of conventional historic style periods
3. Write a response to selected texts in order to construct an informed aesthetic judgment

Program Affiliation

This course is required as a core program course in the following program
AS Music

Outline of Topics Covered

MUS 117 proceeds by genre, investigating Opera, Concerti, and Symphony; within each genre, we proceed more-or-less chronologically.

I. Concerti
   a. Structure and style
   b. Chronology and influence

II. Opera
   a. Structure and style
   b. Chronology and influence

III. Symphony
    a. Structure and style
    b. Chronology and influence

IV. Experimental music (if time allows)
    a. Style
    b. Chronology and influence

Specific repertory varies from term to term. We will concomitantly consider various topics in canon formation and criticism; issues arising from these considerations will be the basis for in-class journaling and periodic writing assignments, as described above.
