Catalog Description
Nursing seminar explores professional nursing practice issues from community, regional, national, and global perspectives. Nursing concepts align with the FLCC Nursing Department's Philosophy and Organizing Framework as well as the National League for Nursing (NLN) Competencies and Outcomes. Major units of study include professional nursing responsibilities, legal/ethical considerations, nursing theory, current trends affecting nursing practice, and professional licensure.

Prerequisites
Successful completion of NUR 101 with a grade of "C" or better.

Co-requisites
NUR 202 or NUR 204

Grading Scheme
Letter
