Catalog Description
Introduction to Theatre will provide a broad survey of the theatrical arts (playwriting, acting, directing, and design). The course will focus on significant periods of theatrical history identifying important artists and innovators. Students will increase their understanding, appreciation and critical perceptions of theatre by writing a 10-minute play and attending a theatrical production. This course is intended for students in the theatre track, or students looking to fulfill their general education arts requirement.

Key Assessment
This course contains a Key Assessment for the programs
